Project Roadmap 2020-2021

What's a roadmap?

Our 2020-2021 project roadmap is a graphical, high-level overview of the projects that CIT completed in 2020-2021. Each “bar” represents a project that members of the department have worked on. Projects are organized in “lanes” showing the primary goals they represent and the timeframes in which they were worked on.

How do I navigate this roadmap?

Hovering over a bar will reveal the name of the project. Clicking on that bar will display a brief description of that project. Scroll up and down the page to view the different lanes which contain projects that relate to the various 2020-2021 Departmental Goals. Scrolling left and right will show different times of the 2020-2021 financial year.
