Annotated Bibliography on Food

Most of these sources were added by Anthropology 100 students and therefore they usually concern cultural and global food issues rather than, for example, scientific studies of nutrients in food etc.

To add an entry:

- Make sure you are logged into the wiki (top right).
- Click “Add” (top right) then “Page”
- Give the page a title in this format: Smith (2009) The Politics of Food
- At the top of the entry, provide the full reference in American Antiquity style.
