

Business

In general, students writing papers for courses in the School of Business should consult a standard style guide, such as

- The *MLA Style Manual and Guide to Scholarly Publication* (New York: Modern Language Association, 1999).
- Kate L. Turabian, *A Manual for Writers of Term Papers, Theses, and Dissertations* (Chicago: University of Chicago Press, 1996).
- Melvin Page, [A Brief Citation Guide for Internet Sources in History and the Humanities](#).
- *The Chicago Manual of Style* (Chicago: University of Chicago Press, 1993).

Accounting students may be asked to follow the editorial standards of the American Accounting Association.
