

Department and Faculty Pages

On these pages, individual departments and faculty members can provide students discipline- and instructor-specific writing guidelines and advice.

To create and edit pages, you must be a member of the group *writing-users*. To become a member, email schacht at geneseo dot edu.

If you already have a page or pages on the web with writing guidance for students, let us know so that we can link to it from the wiki. Send the URL of your page to schacht at geneseo dot edu, or request membership in *writing-users* and add the link yourself.
