

Student Laptop Requirement

Summary

SUNY Geneseo requires all students to bring a Windows or Macintosh laptop computer to Geneseo.

Policy

This requirement has several benefits, including:

- enabling students, faculty, and staff to take advantage of learning opportunities that exist only when every student in a classroom has a laptop
- establishing a campus culture in which faculty and staff are increasingly willing and able to explore innovative and effective classroom and co-curricular uses of information technology
- encouraging students to develop essential computer skills

Students are often eligible for discounts from online retailers. Financially disadvantaged students can apply for consideration for a laptop loan from the college. Students eligible for a Pell Grant with a FAFSA Expected Family Contribution (EFC) of \$0 can [apply for the laptop loan](#).
