

# Copyright Miscellanea

As a follow-up to our conversation on copyright in Engl 170-01 last week, here are a few links you may find interesting:

- Glyn Moody (follow him on Twitter at [@glynmoody](#)) on [copyrighting your face](#).
- [Michael Jordan sues supermarket chain Jewel-Osco over congratulatory ad](#).
- [Michael Jordan sues Chinese sportswear chain](#).
- The Electronic Frontier Foundation's curriculum for [teaching copyright](#).
- The EFF's [Resources page from the above curriculum](#).
- [Judge invalidates human gene patent](#).
- What happened to the same case when it [reached the Supreme Court](#).
- The settlement in the case of [The Wind Done Gone](#).
- Jay-Z and Beyoncé's effort to trademark "Blue Ivy" is [clearly about commercial rather than personal use](#).
- And finally, [Randy Szuch's mashup of Pocahontas and Avatar](#), which the wiki seems to be having trouble embedding right now.
