

INTD 105 Rubric(s)

Sample Grading Rubric(s)

Figuring out what to look for when grading writing, not to mention applying a standard consistently, can be hard. Rubrics are one popular solution to this dilemma. Here is a rubric for INTD 105 instructors to consider, to follow as much or as little as you wish. We welcome other examples of rubrics instructors have developed; send them to either of the co-coordinators for posting here.
