CIT Self Help

**Self Help guides** are designed to assist users in getting started with CIT services and supported applications. This page includes the most frequently used guides for faculty, staff, and students. To browse the entire list of guides, visit the CIT Self Help Index.

If you’re looking to dive deeper on a topic, consider taking a course from LinkedIn Learning. To learn how to keep up with service interruptions, planned outages, and the CIT news see our doc on Staying Informed.
